Muzzle Loading Match

We shot the Muzzle Loading match on April 29. Unfortunately, there were only four shooters, but we had a great time and the weather was perfect except for some wind gusts. We didn't have enough competitors to shoot pistol, but we did shoot rifle. We also had 7 spectators show up to observe the match. The match results are as follows.

Jiri Martinovec (George)	First	254-8X
Gary Caines	Second	246-2X
Keith McMahan	Third	220-6X
Chris Church	Fourth	204-1X

George has an interesting background. He escaped from the former Communist Czechoslovakia to Austria, along with his mother, and then on to the United States. He is now a U.S. Citizen. This match was only the second time he had shot a muzzle loader. The muzzle loader he shot was a Thompson Center .50 Cal Hawken, that had belonged to Nelson Fagan, that he had just purchased a few days before from Sandra Fagan. The match was the first time he fired the rifle.

We are trying to determine how many members would be interested in shooting in a black powder pistol match. This would include both single shot muzzle loading pistols and cap and ball revolvers. Anyone interested should contact Gary Caines by e-mail at glcaines@yahoo.com.

Gary Caines

Bowling Pin Match

On May 6th we had our first Bowling Pin Match of the new season and 17 people showed up to tackle the challenging course of fire.

For the rim fire, Stage One consisted of 10 pins at different elevations, 4 of which required only the tops to be knocked down. This Stage was timed and only allowed 15 shots to be used to knock down the pins.

Stage Two had 13 pins set out in a pattern with 4 requiring the tops only to be shot. There also were 2 bonus pins one set at 40 meters and one at 50 meters. Hitting the bonus pins gave the shooter a deduction of 10 seconds per pin off of their time.

For the center fire Stages the pins were the same except I removed the tops so the pin bottoms were shot like the rest of the pins.

Everyone had a good time and my next Match is a Steel Plate Match on July 1st. Please come out to this Match if you want to have a great time shooting a wide variety of steel plates, spinners and a Texas Star target.

Hope to see you at the range, Artie DelPup Results and more pictures at <http://www.chatugegc.com/>

Rimfire & Centerfire Benchrest - May 20

RF/CF Bench Rest Match 05/20/17. Match Director Jim Vance.

Saturday morning was a pleasant but little windy day for shooting rifles from a bench rest.

A total of 12 shooters signed up for the rimfire morning match, shooting a total of 29 rifles.

Seven shooters signed up for the Centerfire afternoon match, shooting seven rifles.

Please review the match [results](#) on the Chatuge Gun Club web page for match results and match winners. The award plaques will be available at the next meeting or at the Range.

Cowboy Silhouette

The May 13th Cowboy Silhouette brought out shooters from near and far. We had 25 shooters in the Smallbore Match (22 rifle) with 5 being new shooters, in the unclassified class. There were 8 awards won along with several 5 in a row pins and some 10 in a row pins, and a lot of smiles. With 25 shooters at 40 targets each, we sent 960 rounds down range, not counting the practice shots.

In the Pistol Cartridge Match we had 21 shooters and 6 awards won, more 5 in a row pins and yes, more big grins. The Pistol Cartridge Match targets are the same size as the Smallbore targets, but thicker, needing more punch to knock them off their feet.

When you are shooting at metal animals with a rifle most of us pretended we were shooting when we were kids, it can't help but be a fun day at the range.

The next Cowboy Silhouette match will be held on June 17th, come out and join in, you may get hooked. If you do not have a rifle, come out anyway and someone will loan you one.

2017 North Georgia 4-H Airheads take the Summer Off

Saturday, 29 April 2017 marked the third 4-H STATE 3 POSITION SPORTER AIR RIFLE STATE CHAMPIONSHIP of the 2017 North Georgia 4-H Airheads short careers and the end of the 2017 shooting season. As has been reported, these competitors began

shooting this year in mid-January 2017 and practiced two nights a week. The athletes

attending were: Blythe Smith, Ryan Tyler, MacKenzie Smith and Abby Mauldin. Blythe, Ryan and MacKenzie were new to the sport this year and Abby stepped up this year from the 4-H BB gun program at the last moment to make up a 4-person team, replacing team member, Desten Belmares who was lost in the middle of the season with shoulder surgery. Coaches traveling along were A.T. Sorrells, Ed Jones, and Steve Curlee.

Shooting in a Junior Olympic match in Dahlonega in March helped them prepare for the "other side of the mountain" after spending most of the season shooting against only each other. At this contest they had opportunity to compete with some of the Southeast's Best Shooters in both the Sporter and Precision classes.

Unfortunately, due to time restraints on both sides, this year they had to forgo the traditional "evening

on the mats" shooting against the Towns County Sheriff's Department.

They all gathered at Rock Eagle 4-H Center in Eatonton Georgia, and the shooters "hit the floor" along with 51 other shooters for the beginning of the Prone Position firing for record. Twenty shots at a target 10 meters away, which has a "ten scoring spot", that is a "dot". The next challenge is Standing Position, again with twenty shots and the Kneeling Position which is an additional twenty shots, for a total of 60 shots or 600 points possible.

Thanks to the Chatuge Gun Club, The Georgia Sport Shooting Association and the Towns County Commissioner's Office for contributions as well as providing a venue for the sport. We hope to begin earlier and attend more matches around north Georgia next year to enhance these athlete's skills. The "North Georgia Airheads" will be an entity to be dealt with next year.

If you have, are or know of a kid that might be interested in this program next season and will be in 9th through 12th grade contact Andrew Smith, 4-H Program Associate at 706-896-2024.

Basic Pistol Workshop - May 20 & 21

This was followed by films and instruction in Gun Safety and Safe Gun Handling, maintenance, ammunition, shot preparation, sighting, loading and unloading of revolvers and semi-automatic handguns. This portion of the day was led by Chatuge Gun Club members and NRA Instructors A.T. Sorrells, Ruby Rhinesmith and Ed Jones. All this and lunch was also included too.

This group gathered again on Sunday, 21 May at the Chatuge Gun Club range to fire their handguns under the close supervision and assistance by Club members and coaches. Thanks to Gene Blackburn, Scott Bosso, Carrie Brekke, Gary Caines, Mike Ebinger, Deborah Forehand, Gary Forehand, Kenny Guettler, Verlee Jones, Joan Moody, William Parker, Joe Piazza, Ruby Rhinesmith, Nobel Rhinesmith, Jim Soltys and A.T. Sorrells for their help volunteering to help at the range assuring the safety of all involved.

Smallbore Silhouette

Saturday May 27 was the start of a 3 day Memorial Day weekend, so our turnout was not as large as usual, but we still had a good group of 17 shooters lined up to take on the menacing mental chickens, pigs, turkeys and rams. We shot at 10 animals at a time, then moved to the next 10 and continued to compete the Standard Rifle Match of 40 targets. After lunch we started the Hunter Rifle

Match and finished both matches by 3:30pm. The next Smallbore Silhouette match will be on June 24th. See more photos and the results at www.Chatugegc.com.
