# Cowboy Silhouette

April 14, 2018 was the first of the Cowboy Silhouette Matches for the year. We had 21 shooters in the Smallbore Match and 20 shooters in the Pistol Cartridge Match. This is a match that anyone with a tube feed rifle can come out and enjoy. Some shooters use aftermarket rear sights, such as Williams or Marble Arms, but others use the stock sights and Kentucky windage. No matter the sights you use it is a fun way to watch the metal animals fall, when you hit them. For details about the [match check here](#). Cowboy Silhouette Matches require a scorebook from the NRA. You can come out and give it a try the first time and not need the book, but after your first match, odds are you will be hooked and then you will need to purchase a book for future matches. ### 3 Gun Match

Good time was had by all. This was the first time a 3 Gun Match was held on a Sunday. The rain held off till we were finished shooting. Hope to see more competitors in our next match June 17th 2018. [See results here.](#)

Steve Boatright

## Smallbore Silhouette

Smallbore Silhouette match on the 28th of April was a good match. We had 11 shooters in both the Standard Rifle and Hunting Rifle. See details about Smallbore Silhouette [here](#) and the scores and photos [here](#).
