Lever Action Silhouette

August 11th was another great day at the Chatuge Gun Club Range. Thanks to a lot of help from the shooters that arrived early, the range was set up and the practice rounds started around 10am. At 11am we started the first of 2 matches. We had 16 willing participants ready to do battle with the steel chickens, pigs, turkey and rams. The animals as usual won in most cases, with the closest to taking out all 40 of the critters with a score of 28 was by Frank Ledford in the Pistol Cartridge class. The 2nd match after the time out for lunch, the dastardly dickens, were vengeful but match winner Frank Ledford was able to take out 29 of them. The rest of us were not as lucky and fell in behind. On August 19th, we had a good amount of competitors, 10 in total. It was a very hot day in the 80's. Thanks to all those who helped resetting the targets during the match. Special thanks goes to Mike Clare, Gene Blackburn and Keith M who always stay to the end and help pack everything away. See everyone for the next match on 25th November 2018. Smallbore Silhouette

August the 25th we had 12 shooters for the monthly Smallbore Silhouette Match. The morning started out nice and cool, a beautiful day, but as the first match, finished up and the second match started after lunch the mercury was moving up and by the time the second match was coming to the end we were back in the summer time temps.
